Meet the Technologies!

davids

data
analytics
visualization
intelligence
dashboard
software

Why create davids?

simply put, I believe in a **better** and **simpler** analytics platform!

What is davids?

davids is the **all-in-one** dashboard and reporting tool to manage your **Shopify** analytics needs!

Who needs davids?

low-to-mid sized Shopify-using companies who have large enough datasets to drive real insights, **but not enough people to find and present them!**
